

Wish List

CGRN is accepting donations of new or gently used tools, equipment, and plant materials. These materials will be available for use and distributed to community gardens.

By supporting the valuable services that CGRN provides to our city through in-kind or financial donations, volunteers, publicity, or administrative assistance, you or your organization can receive ad space, acknowledgment of tax deductions, opportunities for increased business, and a heightened sense of involvement in the community. Your participation in CGRN is very appreciated and you will be making a direct, positive impact on the health and viability of our city.
